SEQUOIA LIGHTING CORPORATION provides its customers with the design, fabrication and installation of quality Outdoor Site Lighting products.

Our ARCHITECTURAL LANDSCAPE LIGHTING SERIES complements our extensive product lineup designed specifically for Real Estate Developments.

Accenting the exterior grounds of buildings and parks makes our GARDEN BOLLARD SERIES ideal for lighting pedestrian walkways.

Versatility in product placement is one of many features found in our PATHWAY LANDSCAPE SERIES. Great looks and a variety of styles add to their appeal.

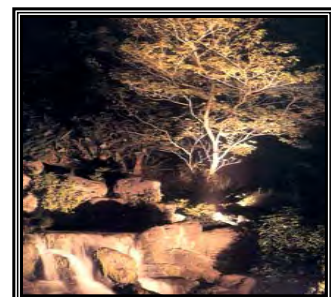

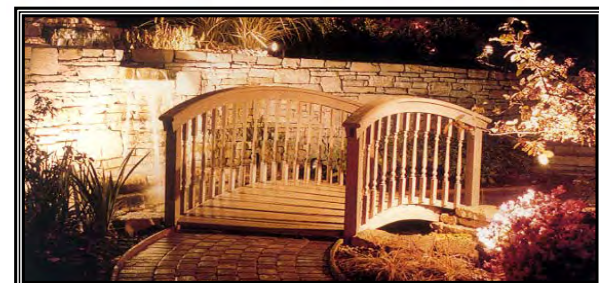

Where intense lighting is necessary, our LANDSCAPE H.I.D. FLOOD LIGHTING SERIES fits the bill. They are available in a wide variety of wattages and voltages.

Ideal for parks, recreational areas and general applications makes our LANDSCAPE HALOGEN SERIES the perfect addition to our Architectural Landscape Lighting Series.

All of our Landscape Lighting products are UL and CUL listed for wet locations.
