MANUFACTURERS OF QUALITY ROADWAY PRODUCTS

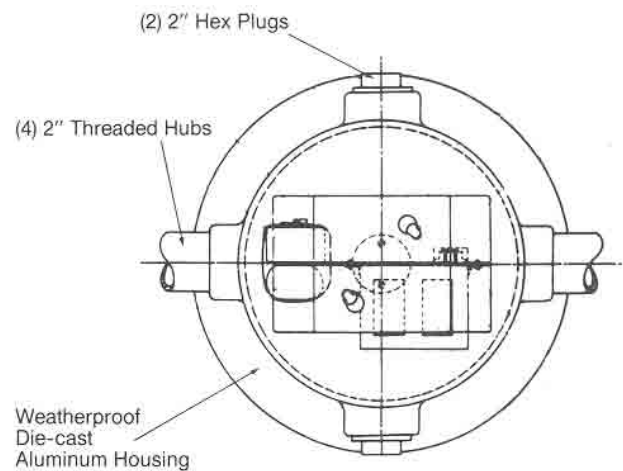

CAST ALUMINUM SOFFIT HOUSING

FEATURES:

- Meets the California Department of Transportation requirements for Soffit Luminaire Housing.
- Heavy sealed die cast aluminum housing designed for the harshest outdoor roadway applications.
- The Soffit Housing is coated with a heavy bitumastic finish for protection against any corrosive concrete and roadway elements.
- Each Soffit Housing is provided with (4) 2" threaded hubs for easy conduit access.
- Fully machined, the Soffit Housing is provided with (5) five brass screws for securing the ballast kit and Alzak® reflector for any future applications.
- Also available are the brass swing door assemblies with a heavy duty 1/4" thick steel plate for future applications.

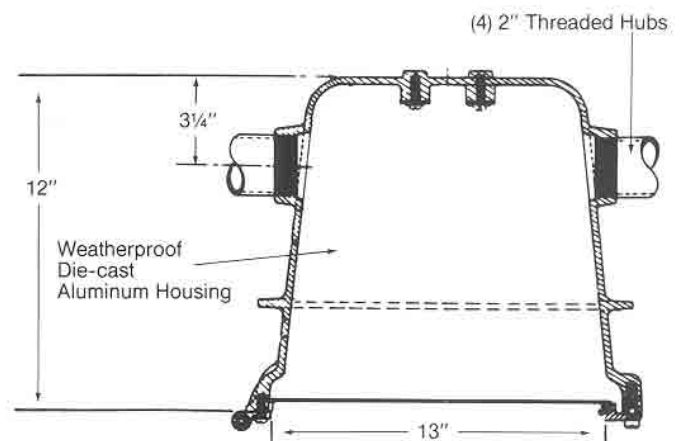

SOFFIT LUMINAIRE HOUSING
